

Dear Friends,

We are pleased to share with you the Calendar of events for the coming year 2015-2016. It is packed full with Torah study opportunities as well as a myriad of new Shiurim and events. The year 5776 is a leap-year, when the winter is longer and opportune for dedication to Torah study.

Furthermore, Kollel Ner Hamizrach has dedicated the coming year to family and community friendly programming. With powerful Oneg Shabbat gatherings on Friday nights, Shevet Achim Mussar Vaadim at homes throughout the community, Bein Adam Lchaveiro Classes, Mother & Daughter events, all the way to Shalom Bayit and Chinuch lectures, our programming offers a healthy and well rounded approach to a Torah lifestyle.

We encourage you to join the ranks of those who have made Torah study their passion, who have helped mint our motto; "Torah Study - the Focus of Our Life."

Rabbi Eliezer Cohen, Rosh Kollel
