TO WHOM IT MAY CONCERN:

Atlanta Jewry has grown enormously in the past decades both in numbers and in quality. In particular, a strong Sepharadi community has developed during the past 20 years under the dynamic leadership of Rabbi Shemuel Koshkerman, a well-known outstanding Torah scholar and author.

I was happy to learn that Rabbi Koshkerman is about to embark on a project of bringing a Kollel into his community. This will provide more resources for learning for his community and will greatly enhance the quality of Judaism in all of Atlanta.

I applaud Rabbi Koshkerman's undertaking and wish him success. May all those who support his endeavor merit the Torah's promise: "Blessed is He who upholds the Torah."

With best wishes,

  
Rabbi Aharon Feldman
