Lichvod Horav Khoshkerman, שליט"א

When I heard about the new Kollel that you are establishing in your community, my heart was filled with joy. Not only will the Kol Torah be an enhancement for your community, it will benefit the entire city. All those who wish to come close to Hakodesh Boruch Hu will now have an opportunity to fulfill their desire. May you be blessed with great success.

I extend my heartfelt brachos to everyone who takes an interest and supports this noble endeavor.

May the zechus of Hachzokas HaTorah be a blessing for success and long life for everyone who is involved in this worthy mossad.
